

HPS Busing Information

2020-2021 Busing for HPS will be limited due to the elimination of transfer sites and social distancing requirements. Students will be required to wear masks to utilize the busing service. With our limited capacity in mind, please request busing only if truly needed. Busing will be assigned based on distance, need, followed by first come first serve. Sign up for busing at the HPS website. Bus registration is located in the Transportation and Busing tab at the bottom of the homepage. As seating will be limited only one pick-up and one drop-off will be allowed.
