Positive Behavioral Practice Based Strategies for Self-Regulation

A thorough presentation of positive behavioral interventions in the classroom will be presented to conference attendees. Discussion will center around students with learning disabilities. Children with Serious Emotional Disorder and behavioral concerns will be thoroughly discussed. The audience will be able to apply the information presented through videos, activities, and examples of how to set up positive plans for children in a variety of environmental settings immediately in their respective situations. The training will also contain discussions about practice based interventions such as Superflex Super Hero curriculum and Zones of Regulation in the classroom. We will examine the common pitfalls that sabotage behavioral intervention plans and thoroughly describe the common 504 accommodations presented to people.

Participation by individuals from outside of Region II is welcome. Region II consists of the counties of Cascade, Teton, Pondera, Toole, Glacier, Liberty, Hill, Blaine, and Chouteau.
