A note from Mr. Haslem...

The end is almost here. We can't believe how fast it has gone. And what a year it was! Miss Montana taught us all Karate, we learned how to play golf, we honored our veterans and christened new flags, and Montana's Governor and First Lady stopped by for a visit. The return of a normal May is exciting as so many events lay ahead. The 5th graders finally get to go out to Fresno Lake and go fishing with Walleyes Unlimited. The 4th grade will have their Music Concerts. The 5th grade visits the middle school and their awards assembly will happen again on the last day of school. We look forward to all of these events. We have already had many inquiries about class rosters for next year. Class rosters and supply lists will come out the first week in August. Grab a good book and enjoy the Summer.
