

# COMMUNITY EDUCATION CLASS OFFERINGS Spring 2022

## Special Interest

### A1—Home Safety

We will discuss ways to help keep your residence and property safe. We will talk about home fire safety, different ways to secure firearms, important documents, and valuables in the house. We will also give several simple tips/ideas that everyone can do to keep your home safe. Identity theft will also be a topic of discussion.

Instructors: Officer Tanner Donovan & Nate Courtage  
Monday, April 4th  
6:00-7:00 p.m., HHS Library  
Cost: \$2.00

### A2—Don't Worry, Retire Happy: Seven Steps to Retirement Security

As seen on Public Television, this class provides practical information that can be used to reduce your worries about retirement planning and give you confidence to retire happily ever after. During this 1.5-hour program, retirement income expert and bestselling author Tom Hegna shares his insight on retirement planning. Sponsored by State Farm

Facilitator: Anthony Cammon, FSS, LTCP  
HHS Library  
Wednesday, April 20th, 6:30-8:00 p.m.  
Cost: \$2.00

### A3— 1st Time Home Buyer

Learn the steps of the buying and selling process through a realtor's perspective. From how to get a home ready to sell, to the paperwork of buying to the pre-approval process. Is it time to get your house in order?

Instructor: Kim Cripps  
Tuesday, April 12th  
6:30—8:00 p.m., HHS library  
Cost: \$2.00

### A4—Basic Home Repair

Wanting to do your own basic home repairs? Learn some basic repair skills in this 5-week course. Students will need to bring to class safety glasses, a hammer, and a drill and screwdriver with both Phillips and flat heads. All other supplies will be provided.

Week 1-March 19— Build a basic wall that you will work on throughout this course.

Week 2-March 26— We will work on patching holes in sheetrock walls.

Week 3-April 2 - We will do some basic wiring such as outlets, fixtures, and switches.

Week 4-April 9 — We will work on basic plumbing skills such as replacing faucets and tracking down leaks.

Week 5-April 23— DIY questions and answers.

Instructor: Derek Eldridge  
Saturdays. March 19th, 26th, April 2nd, 9th, 23rd  
3:00-4:00 p.m.  
HHS 49

Cost: \$ 62.00 (62+ \$ 60.00)

**Class maximum of 15 participants.**

### A5—Let's Play in the Mud

In the middle of a DIY home renovation project? Need some advice from a local expert? A one-night event concentrating on taping, coating, and different finishes for your sheet rocked ceilings and walls, such as the Hawk Mop. There will be time for discussion on materials to use and time for John to answer your questions.

Instructor: John Ita  
HMS Rm 160—Industrial Arts room  
Tuesday, March 29th, 7:00—9:00 p.m.  
Cost: \$25.00

## Hobbies

### B1—Welding

Learn how to safely perform, repair, and project fabrication welding of steel. Common metal cutting and grinding equipment operation and safety will be covered. Participants will be introduced to the applications of the Oxygen Acetylene Torch, including cutting, brazing, welding, and heating. Arc welding instruction and practice will focus on: Shielded Metal Arc Welding (stick), Gas Metal Arc Welding (solid wire MIG), and Flux Cored Arc Welding. Plasma Arc Cutting will be demonstrated at the end of the course. Students need to bring fire retardant, long sleeve jackets or shirts, leather gloves and safety glasses.

Instructor: Zach Reddig  
HHS 50

Wednesdays, March 16th, 23rd, 30th and April 6th & 13th  
6:00-8:00 p.m.

Cost: \$120.00 (62+ \$118.00)

**Due to limited machines, class maximum of 6 participants.**

### B2— Basic Crochet

This class is for beginners as well as those needing a refresher on the basics. If you master the basics in this 4-session class, then you are ready to start on a project. Patterns are provided by the instructor. Students will receive individual help. Please bring a crochet hook and yarn. (If you don't have a hook, instructor will let you borrow one).

Instructor: Gerda Mullner

Buffalo Court, F., March 18th & 25th, April 1st & 8th  
6:30-8:00 p.m.

Cost: \$17.00 (62+ \$15.00)

### B3 — Crochet Project

You have the basics of the art of crocheting down and now you are ready to complete a project. Pick a pattern from the instructor or bring your own project you are currently working on or one you wish to start.

The instructor will guide you through your project with individual attention.

Instructor: Gerda Mullner

Buffalo Court, F., April 22nd, 29th & May 6th, 13th  
6:30-8:00 p.m.

Cost: \$17.00 (62+ \$15.00)

### B4—Spring Door Hanger

Come join us to create an adorable spring themed door hanger. Class includes everything you need to complete a 14 inch round door hanger. Personalize your project by choosing your own paint color.

Instructor: Alyssa Crawford

Tuesday, April 5th  
6:00-8:00 p.m., HHS 47

Cost: \$36.00

### B5—Glacier Park Watercolor

Celebrate Montana on 4/06 by painting a classic Glacier Park scene in watercolor. Havre High Art teacher and local artist Lindsey Ratliff will provide guided instruction in watercolor and how to create a familiar, colorful Glarier Park landscape. Participants will need to bring their own basic watercolor pallet and brushes. Cold-Pressed 140 lb. watercolor paper will be provided.

Instructor: Lindsey Ratliff  
HHS 54

Wednesday, April 6th, 6:00-7:30 p.m.

Cost: \$10.00

### B6—Spring Gnomes

Create your own perfect Spring or Easter Gnome. Bring your own supplies or pick from ours. Basic supplies provided including sock, rice, buttons, and pompoms. Please bring a hot glue gun and glue and any other special embellishments or fur to personalize your gnome.

Instructor: Julie Monson  
HHS 53 Home Ec Rm

Tuesday, April 12th, 6:00-8:00 p.m.

Cost: \$20.00

### B7—Easter Cake Decorating

Participants will decorate a premade 6" cake to take home! You will learn icing techniques and creative fondant work. The instructor will share her knowledge and best practices for filling frosting bags and using various tips. Come get creative! Please bring a container to carry home your creation.

Instructor: Penny Velk

Thursday, April 7th, 6:30-8:30 p.m., HHS room 53
