2. A grievant is an employee, or group of employees, or the Association.
3. Days shall mean calendar days, except as otherwise indicated.

6.2 Individual Rights

Nothing in the grievance procedure shall be construed to limit the grievant and the appropriate supervisor or administrator from informally discussing and adjusting any grievance as long as the Association is notified in writing as to the disposition of the matter and such disposition is not inconsistent with the terms of this Agreement.

6.3 Procedure

STEP I. Immediate Supervisor

The grievant shall within twenty-one (21) days of the occurrence or of knowledge of the act or condition which is the basis of the complaint, present the grievance in writing, to the immediately involved supervisor.

The grievance shall be written on the appropriate grievance form (Appendix B) and shall include a statement of the grievance, which articles(s) are in dispute, and the requested remedy.

STEP II. Superintendent

If the grievant or the Association is not satisfied with the disposition of the grievance at Step I, or if no decision has been rendered within seven (7) days after presentation of the grievance, then the grievance may be referred to the superintendent or superintendent's designee. 7.2 Access

Persons authorized to have access to personnel files are limited to administrators, board members, the employee or written authorized agents of the administrator, board member, or employees. It is understood that confidential secretaries will have access to personnel files to perform routine clerical duties. Employees shall have the right, upon request, to review the contents of their personnel files and to receive, at employee expense, a copy of any documents contained therein. An Association representative, at the employee's request, may be present in this review.

7.3 Complaints

Any complaint(s) regarding any employee made by any teacher, parent, student, or other person who may be used in any manner in the evaluation or disciplining of an employee shall be called to the attention of the employee and promptly investigated. The parties further agree that nothing in this Article shall stop the school district from first reporting the complaint(s) to the County Attorney, Sheriff or the Social Welfare offices and from following the directions of the County Attorney, Sheriff or the Social Welfare Office. The employee shall be given an opportunity to respond to such complaint.

7.4 Material

No material derogatory to an employee's conduct, service, character or personality shall be placed in the file unless it is signed by the author, and unless the employee has had a timely opportunity to read the material and time to respond to it.

ARTICLE VIII: LAYOFFS AND RECALL

8.1 Board Discretion

The School Board in its sole discretion shall determine the level of services, and/or the quality of services to be provided by the Board. In the event that the Board determines that a lay-off of non-probationary employees is necessary, it agrees to the following procedure:

8.2 Layoff Procedure

The least senior employee within each job category shall be laid off.

8.3 Seniority

For purposes of this Article, seniority shall accrue from the first day of work following the last date of hire and shall be calculated in days. Seniority will not be broken by unpaid leaves of absence but such time will not counted in computing seniority. When seniority is equal

between or among employees, ranking of those employees shall be determined by the drawing of lots.

8.4 Recall Procedure

1. Whenever there is a vacancy in a bargaining unit position, laid off employees will be recalled in order of seniority within each job category.
2. Notice of recall will be given by registered mail to the last address given to the Board by an employee. A copy of the notice of recall will be given to the Association. If an employee fails to respond within ten (10) calendar days after receipt of the above notice of recall, the employee will be deemed to have refused the position offered.
3. An employee who is laid off will remain on the recall list for two (2) years after the effective date of layoff unless the employee:
 - a. Waives recall rights in writing;
 - b. Resigns;
 - c. Fails to accept recall to the position held immediately prior to layoff or to a substantially equivalent position;
 - d. Fails to report to work in a position that he or she has accepted unless such an employee is sick or injured. If an employee has temporary employment elsewhere, he or she will be allowed a reasonable amount of additional time before being required to report to work.

ARTICLE IX: WORKING CONDITIONS

9.1 Definitions

Full time employees shall be defined for purposes of Articles IX and X those employees who work at least 30 hours per week.

9.2 Lunch Duty/Lunch Period

Employees working at least 25 hours per week not assigned lunch duty shall have an employer-scheduled duty free lunch period of 30 minutes or more without pay. Employees working at least 25 hours per week assigned to work lunch shall have a maximum of 20 minutes duty-free lunch with pay. In cases where the employer does not provide a maximum of 20 minutes duty-free lunch time with pay, the employer will pay the full time employee \$1.50 per missed duty free lunch time.

9.3 Breaks

Every employee who works at least four hours will receive a fifteen (15) minute employer-scheduled break. Employees who work five or more hours per day shall be entitled to an additional ten (10) minute employer scheduled break.

9.4 Work Day, Work Week and Work Year

The employer may change or end the work day, work week and/or the work year upon 1 week's notice to the affected employee(s). In case of emergencies, this section shall not apply.

9.5 Substitutes

- A. Once all options for securing a substitute have been exhausted, a paraprofessional may be assigned by the principal to serve as a substitute for the absent teacher. If a paraprofessional agrees to serve as a substitute for the teacher, he/she shall receive, in addition to their regular daily pay, \$40.00 for four or more hours of substitute service and \$20.00 for less than four hours of substitute service.

9.6 Hepatitis B

The district will review its Hepatitis Vaccination eligibility determination on an annual basis and place this requirement in the Safety Manual.

Note: The policy as written has a committee that determines which positions are at risk for Hepatitis. In the event an employee feels their position is at risk the District and Association encourages the employee to submit their concerns to the committee for an eligibility determination. The point of contact for the committee is Personnel Director.

ARTICLE X: INSURANCE

10.1 Insurance Premiums

For employees who elect to participate and who are working "full-time", the Board shall pay \$462 per month for 12 months for the 2016-2017 school year towards the group insurance premium. Contribution will not go down in subsequent years, but may increase in compliance with factor of Affordable Care Act mandates. Employees working less than full time shall be entitled to a prorated amount of the Board's obligation for insurance premiums.

10.2 Limitations

It is understood that the school district's only obligation under this Article is to purchase insurance policies and pay such premium amounts as agreed to herein, and no claim shall be made against the school district as a result of a denial of insurance benefits. An employee is eligible for monthly Board contributions as provided in this Article as long as the employee is employed by this Board and is on a pay status. Upon termination of employment, all Board participation and contribution shall cease effective on the last work day.

10.3 Required Withholdings

The School Board will pay Social Security and PERS or TRS as required by law.

ARTICLE XI: LEAVE

11.1 Leave Increments

All leave under this Article shall be taken in fifteen (15) minute increments.

11.2 Sick Leave

The district will follow Montana Statue and the Administrative Rules of Montana (ARM).

A. Amount

One day per month, pro-rated for part-time permanent employees, unlimited accumulation. May be used after the first 90 days of employment. One-fourth (1/4th) buy

out at current rate of pay upon satisfactory termination of services with the district. Illness during holidays are considered holiday pay.

B. Use

Sick leave may be used for personal illness, injury, medical disability, childbirth, maternity related disability, quarantines, or medical examinations. In addition, sick leave may be used for necessary care of attendance to an immediate family member for the above reasons until other attendance can reasonably be obtained. Finally, sick leave may be used for death or funeral attendance for a close friend at the district's discretion.

"Immediate Family" means the employee's spouse and any members of the employee's household, or any parent, child, grandparent, grandchild, sibling or corresponding in-law.

C. Reporting

If an employee is unable to work because of the above listed reasons, he/she must notify the immediate supervisor or the office of the Director of Personnel. The Director of Personnel should be notified only in those cases when the immediate supervisor cannot be located. Failure to properly notify supervisor may result in discipline up to termination of employment.

D. Abuse of Sick Leave

1. Misrepresentation of the actual reason for charging an absence to sick leave is cause for dismissal and forfeiture of the lump-sum payment.
2. Chronic, persistent, or patterned use of sick leave may be subject to progressive discipline. (See the discipline handling policy, title 2, chapter 21, sub-chapter 65, ARM or policy 3-0130, MOM.)
3. Absences improperly charged to sick leave may, at the agency's discretion, be charged to available compensatory time or leave without pay. Annual leave may be used at the mutual agreement of the employee and the agency.
4. Any charges of sick leave abuse that result in an employee's dismissal and forfeiture of the lump-sum payment are subject to the appropriate grievance procedure. (Eff. 11/15/80, AMD. 12/17/82).

11.3 Annual Vacation Leave

1. Permanent, full-time employees are entitled to vacation leave benefits and subject to the cap on accumulation of annual vacation leave under Title 2, Chapter 18, Part 6, MCA.
2. Permanent, part-time employees are entitled to prorated annual vacation benefits, if they have worked the qualifying period.
3. An employee may not accrue annual vacation leave credits while in a leave-without-pay status.
4. Vacation leave credits are earned per Montana Code at the following rate:

1 day through 10 years	15 days
10 years through 15 years	18 days
15 years through 20 years	21 days
20 years on	24 days

The above rates are based on an employee working 2080 hours per year. The amount listed shall be prorated in the event an employee works less than 2080 hours.

Example: John has been a Paraprofessional for the past 12 years. According to MCA 2-18-6xx John would be eligible to receive 18 days of vacation or 144 hours (18 days x 8 Hours/day = 144 hours) if he worked 2080 hours during the year (40 hours per week x 52 weeks). Thus for every hour worked the employee receives .0692 hours of leave (144/2080). John works the school year (181 days at 7 hours per day or 1267 hours). Thus John is eligible for 88 hours (1267 x .0692 = 87.6764 hours rounded to 88) or 12.6 days.

5. Annual vacation leave may be accumulated to a total not to exceed two (2) times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within ninety (90) calendar days from the last day of the calendar year in which the excess was accrued.
6. In the event an employee does not take his/her earned annual vacation leave, the employee may at his/her option be reimbursed for such unused leave at his/her current rate of pay. Employees must give the District Clerk notice by May 1 of their intent to be reimbursed for unused leave. If notice is not given by May 1, unused leave shall carry over.
7. The District will send an e-mail to employees to their District assigned e-mail accounts by April 1 notifying them of the balance of their unused leave. One hard paper copy will also be posted in each building by April 1.

11.4 Maternity Leave

Employees shall be afforded maternity leave in accordance with Montana law and the Family Medical Leave Act.

11.5 Jury Duty - As Witness or Subpoenaed

An employee who is under proper summons as a juror or witness shall collect all fees and allowances payable as a result of the service and forward the fees to the appropriate accounting office. Juror fees shall be applied against the amount due the employee from his/her employer. However, if an employee elects to charge his/her juror time off against his/her annual leave, he/she shall not be required to remit his/her juror fees to employer.

11.6 Extended Leave

After six months of employment, an employee may, upon discretionary approval, be granted a leave of absence, without pay, for personal and/or medical reasons. The employer may require a physician's statement or other proof of the need for such a leave. Such leave could be granted for up to 3 months (90 days). Request for this leave will be made to the personnel department. This leave will run concurrently with Family Medical Leave.

The employee will return to their former position or an equivalent position in the paraprofessional unit.

11.7 Bereavement Leave

Five (5) days of Bereavement Leave, shall be granted to employees each year. Employees shall receive the rate of pay and number of hours per day as specified in their individual

employment contract. In the unfortunate event that the death occurs to an immediate family member (as defined in "Sick Leave") the employee shall be entitled to the Bereavement Leave, and then may use sick leave.

ARTICLE XII: VACANCIES

In the spring of the year the district will solicit from H.P.E.A. members a confidential request for job/work schedule interest. Members will have an opportunity to express a desire to add or reduce hours; change buildings; or change job assignments. During the year Havre Public Schools District 16 will send an email of employment notifications to the H.P.E.A. president via email in conjunction with posting notification.

ARTICLE XIII: EFFECT OF AGREEMENT

13.1 Changes in Agreement

There shall be no further negotiations during the term of this agreement except for a successor agreement or by mutual agreement of the parties. For the term of this Agreement no change shall be made in any provision of this Agreement or in any other working condition that is a mandatory subject of bargaining, unless by mutual consent of the parties hereto.

13.2 Savings Clause

If any provision of this Agreement or any application thereof to any employee is finally held to be contrary to law, then such provision or application shall be deemed invalid, to the extent required by such decision, but all other provisions or applications shall continue in full force and effect. If such provisions exist which are so held, at the request of either party, negotiations shall immediately commence in order to alter said section(s).

13.3 Authority

This agreement constitutes complete agreement between the School Board and the Association. This agreement supersedes any prior agreement, rules or practices concerning the terms and conditions of employment.

13.4 Duplication and Distribution

Copies of this Agreement shall be printed at the expense of the Board within thirty (30) days after the Agreement is signed. Copies shall be presented to all employees now employed or hereafter employed. The Association shall be provided five (5) copies of this Agreement.

ARTICLE XIV: MANAGEMENT RIGHTS

14.1 The Association and their representatives shall recognize the prerogatives of the school district to operate and manage their affairs in such areas as, but not limited to:

1. direct employees;
2. hire, promote, transfer, assign and retain employees;
3. relieve employees from duties because of lack of work or funds or under conditions where continuation of such work would be inefficient and nonproductive;
4. maintain the efficiency of government operations;
5. determine the methods, means, job classification, and personnel by which government operations are to be conducted;

6. take whatever actions may be necessary to carry out the missions of the agency in situations of emergency;
 7. establish the methods and processes by which work is performed.
- 14.2 The Association recognizes the right of the school district/board to execute policy as long as such policy is not specifically in violation of a provision of this Agreement.
- 14.3 Nothing in this Agreement shall be construed to prohibit the school district from exercising all management rights and prerogatives except those expressly waived in this Agreement. The Board has all rights to manage the school district except those expressly waived by this agreement or limited by law.

ARTICLE XV: DURATION OF AGREEMENT

This Agreement shall be effective as of August 23, 2016 or the date of ratification by the parties whichever is later, and shall continue in full force and effect until June 30, 2019. Either party may give notice to the other party of the party's wish to negotiate a new agreement. Such notice must be provided in February or March. If neither party gives notice, this agreement shall continue for a period(s) of one year until either party gives such notice.
