7.3 Procedure

Any grievance or dispute, which may arise between the parties, including the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

STEP I. Immediate Supervisor

The grievant shall within twenty-one (21) days of the occurrence or of knowledge of the act or condition which is the basis of the complaint, present the grievance in writing, to the immediately involved supervisor.

The grievance shall be written on the appropriate grievance form (Appendix A) and shall include a statement of the grievance, which articles(s) are in dispute, and the requested remedy.
The immediate supervisor will arrange for a meeting with the grievant to take place within seven (7) days after receipt of the grievance. The supervisor shall provide the grievant and the Union with a written answer to the grievance within seven (7) days after the meeting.

**STEP II. Superintendent**

If the grievant or the Union is not satisfied with the disposition of the grievance at Step I, or if no decision has been rendered within seven (7) days after presentation of the grievance at the meeting, then the grievance may be referred to the superintendent or superintendent's designee within seven (7) days. The superintendent shall arrange for a hearing with the grievant to take place within seven (7) days after receipt of the appeal. Upon conclusion of the hearing, the superintendent will have seven (7) days to provide the grievant and the Union a written decision.

**STEP III. School Board**

If the grievant or the Union is not satisfied with the disposition of the grievance at Step II, or if no decision has been rendered within seven (7) days after presentation of the grievance, then the grievance, within seven (7) days, may be referred to the Board of Trustees. The Chairman of the Board shall arrange for a hearing with the grievant to take place at the next regularly scheduled meeting. Upon conclusion of the hearing, the Board will have fourteen (14) days to provide the grievant and the Union a written decision.

The employee last hired, in the same unit, shall be the first released if qualifications are equal. Employees who are scheduled to be released shall be given at least ten (10) working days’ notice. All recalls to employment shall be likewise in order of seniority; that is, the last employee released as a result of reduction in force shall be the first rehired when the Employer needs additional employees. The Employer shall notify such employees to return to work by certified mail and furnish the Union a copy of such notifications. If the employee fails to return to work in ten (10) working days, such employee shall be considered as having forfeited his/her right to re-employment. The employee is responsible for keeping a current address on file with the personnel office. RIF’d employees will remain on lay-off status for one (1) year.

1. When a First Custodian position is eliminated he/she would use their seniority to bump the least senior First Custodian in the K-5 buildings. The displaced custodian may bump the least senior custodian if he/she holds more seniority in the unit.

B. Longevity shall be computed from the date the employee began regular uninterrupted service with the Employer. To be absent from the job due to layoffs will be considered lost time for purposes of seniority and longevity. However, previous service, upon re-employment, shall count toward seniority and longevity.

C. Employees whose seniority dates are the same shall have their seniority rank determined by alphabetic listing.

D. Seniority shall be forfeited by discharge for cause or voluntary termination.

E. When seniority prevails and before the employee has been declared qualified for a position he/she has applied for, the Employer shall not interfere with the employee’s decision to apply for the position.
F. **Reduction in Hours.**
If an employee suffers a reduction of hours in his/her work week, such employee shall be able to exercise seniority in their classification to move to a position that has the most hours under their classification.

G. **Consolidation of Jobs**
If such action causes a reduction in the work force, then Article 3, Seniority, of this Agreement will be applied unless mutually agreed to by the Union and the Employer.

**Article 9 Working Conditions**

9.2 **Emergency Closures**
The employee will be guaranteed his/her regular hours each day. If the regular duties are canceled, the employee will perform duties as assigned. In the event that school is cancelled, the Employer retains the right to reassign hours, as needed, to make up the cancelled time.

Certain emergencies and special circumstances may arise from time to time, which may necessitate the adjustment of the work day or work week. These special and emergency circumstances will be discussed with the employees and the Union with as much advance notice as possible.
9.3 **Bus Routes**

Direct Grant Process: To receive a sick leave grant, an employee must make a written request to the Director of Personnel.

Forms for donating sick leave hours are available from the Personnel Office.

**Part-time Employees & Direct Grants:** Permanent part-time employees are eligible to contribute to and use sick leave, as defined above, on a pro-rated basis according to the number of hours the employee normally works, or, if the employee does not have a regular schedule, the number of hours the employee is guaranteed.

Leave received via the Direct Grant process will run concurrently with Family Medical Leave.

**11.3 Bereavement Leave**

In the event of the death of an immediate family member which is defined as the employee’s spouse, any members of the employee’s household, a parent, child, grandparent, grandchild, sibling, or corresponding in-law, an employee shall be entitled to a maximum of three (3) working days with pay, the purpose of which is to attend the funeral. Employees shall notify and receive authorization from their immediate supervisor or the Director of Operations or the Director of Personnel, prior to taking bereavement leave.

**11.4 Annual Leave**

Annual Leave shall be in compliance with Montana Codes Annotated.

**Annual Leave Accrual Rate:** Annual leave time shall accrue at the rate established by the law as follows:

a) From one (1) month through ten (10) years of employment - at the rate of one and one-quarter (1-1/4) working days for each month of service to a maximum of fifteen (15) working days for each year of service, prorated based on hours worked.

b) From eleven (11) years through fifteen (15) years of employment - at the rate of one and one-half (1-1/2) working days for each month of service to a maximum of eighteen (18) working days for each year of service, prorated based on hours worked.

c) From sixteen (16) years through twenty (20) years of employment - at the rate of one and three-fourths (1-3/4) working days for each month of service to a maximum of twenty-one (21) working days for each year of service, prorated based on hours worked.
d) After twenty (20) years of employment - at the rate of two (2) working days for each month of service to a maximum of twenty-four (24) working days for each year of service, prorated based on hours worked.

Accumulation of Leave: Annual leave may be accumulated to a total not to exceed two (2) times the maximum number of days earned annually as of the last day of any calendar year. In the event the employee annual leave accrual exceeds two (2) times the maximum number of days earned annually as of the end of the calendar year the employee and employer shall follow the protocol outlined in MCA.

In the event an employee does not take his/her earned annual vacation leave, the employee may at his/her option be reimbursed for such unused leave at his/her current rate of pay. Employees must give the District Clerk notice by May 1 of their intent to be reimbursed for unused leave. If notice is not given by May 1, unused leave shall carry over.

Pay Out: Annual leave time earned, but not used at the time of termination, shall be paid to the employee at his/her regular permanent classification in effect on the employee's last day of work.

In the event of death of an employee, unused and earned vacation time, and ¼ of the accrued sick leave shall be paid to the employee’s heirs at the employee’s regular rate of pay.

Leave Requests: It will be the general practice of the School District that all vacation days earned as of June 30th of each year will be taken during that particular summer. Allowance for vacation other than summer months will be worked out between the employee and the immediate supervisor. The dates when employee’s vacations shall be granted shall be determined by agreement between each employee and the district supervisor, with regard to seniority and the best interest of the School District. Vacation time may be taken on an as needed basis.

11.5 Other Leaves with Pay

Military Leave: Any employee who is a member of the organized National Guard of the State of Montana or who is a member of the organized or unorganized reserve corps or forces of the United States Army, Navy, Marine Corps, Air Force, or Coast Guard, shall be given leave of absence, not to exceed fifteen (15) paid working days, after six (6) months of employment, for attending regular encampments, training cruises, and similar training programs, under military orders properly issued by military authorities.

Such absence shall not be charged against other leave credits earned by the employee. During the period of leave, employee will be paid at his/her regular rate of pay.

Jury Service: An employee who shall serve as a member or potential member (during the Voir dire process) of any jury shall be permitted to be absent from his duties without loss of pay and without charge against any leave. Pay received for jury service shall be reported to the Employer and the salary of the employee shall be reduced in the amount the employee received for jury service.

If an employee elects to charge his jury time off against his/her annual leave, he/she shall not be required to remit his/her jury fee to the Employer. In no instance is an employee required to remit to the Employer any expense or mileage allowance paid him by the court.
Subpoena: Any employee who, through no personal negligence, shall be summoned by subpoena to appear in a court action as a witness shall be permitted to be absent from his/her duties, as required by such subpoena without loss of pay or charge against any leave. Pay received for such service shall be reported to the Employer and the salary of the employee shall be reduced in the amount the employee received for such service, if an employee elects to charge the time against vacation leave, he/she may keep money received for the service.

11.6 Family Medical Leave Act
The District will adhere to the Family Medical Leave Act.

11.7 Extra-Curricular Service
In the event an employee earns a stipend in service as a coach, sponsor, or advisor of a District-sponsored sport, activity, or event included on the Extra-Curricular Schedule, the employee may, with supervisor authorization, complete duties and earn compensation for hours missed in service to the activity on a different day as trade time.

Article 12 Vacancies

A. Whenever a new position is created or a vacancy occurs in an existing position, the Employer shall notify the Union of the fact via e-mail with a request to notify the sender of receipt and also by USPS not more than one (1) month prior to the actual date when the opening is to be filled. If the Employer requires qualifications to assume the duties of a new or vacated position, the qualifications must be listed in the above mentioned notice. It shall be the employee’s responsibility to supply the Personnel Office with their current e-mail address for these mailings.

1. Each employee may submit a blanket bid for each specific job they wish to bid on September 1 of each school year or any other time during the year after this date. This confidential bid is to be registered with the Director of Personnel on the District form. This in no way prevents employees from using the normal bid procedures.

2. Bidding or Requesting Lateral Transfers: Qualified Union members within the unit will have five (5) working days from the date of notice to apply for a new or vacated position or any position that may develop as a result of the bidding process. Employees must list, in writing, any and all positions of a higher classification they wish to bid on.

Employees desiring consideration for a lateral move within the unit should make their request known in writing. Applications by qualified Union members shall be sent directly to the Personnel Director, Havre Public Schools.

3. Vacated or New Position: When the bid is posted for a vacated or new position within a unit, Teamsters are thereby notified that a job will open somewhere within the five (5) units. All Teamsters interested in changing jobs must notify the Personnel Director of any and all jobs they wish to bid as a result of the vacancy or new position. This notification should include bidding across units, as well as bidding within the unit, for a higher classification or a position with increased hours. All bids must be received, in writing, within five (5) working days of the date of notice.

4. Without major disruption to the District operations, the District will attempt to add hours to current employees before hiring long-term substitutes for extended leaves. The District will add hours within the building first, to the best qualified, most senior employee. No bumping will occur as a result of the transfer.
B. The Employer shall recognize seniority exclusive to bidding within unit not across units, and specific qualifications in awarding job assignments when filling vacated positions. Where qualifications are equal, seniority within unit shall prevail.

Employees will be considered eligible for a vacated position at the same job classification as the one held by the employee subject to the best interest of the Employee and Employer. It is the intention of the parties of this Agreement that the Employer shall grant preference to persons already in employment when making job assignments that are open to application. If there is a difference of opinion regarding the qualifications of an employee, the employee affected shall proceed in accordance with the grievance procedure as outlined in this agreement.

1. When a vacancy occurs in a job classification or a new position is created, the Union members of that unit, who are eligible and qualified to fill the vacancy, may bid for such vacancy in the manner prescribed in the Article on “Jobs Posting”. The employee selected for the position shall have a ninety (90) day trial period in the position to meet the specific qualifications required and to prove competency in the position. If the employee fails to meet the specific qualifications required or fails to prove competency, he/she will be transferred back to his/her original position within the unit. If, however, the employee meets the specific qualifications required during the ninety (90) day trial period, he/she will then assume the normal job security risks that go with any position.

2. When a vacancy occurs in a unit and no member of that unit bids the position, or no member is qualified, members from other units may bid the position. Members from other units must be qualified before bidding. If the employee fails to prove competency, he/she will not be guaranteed his/her original position. If the employee meets the qualifications required and proves out in other ways during the ninety (90) day trial period he/she will then assume the normal job security risks that go with any position.

3. In the event vacancies are not filled through the bidding process, the Employer has the right to hire new personnel.

4. When a District employee moves from one unit to another unit within the Union, his/her name will be placed at the bottom of the seniority roster for seniority purposes within the unit to which he/she has moved.

5. The employee, however, will retain his/her original employment date with the District for longevity pay and fringe benefits.

6. Without major disruption to the District operations, the District will attempt to add hours to current employees before hiring long-term substitutes for extended leaves. The District will add hours within the building first, to the best-qualified, most senior employee.

7. No bumping will occur as a result of the transfer.

C. When an employee with more years of seniority has applied for a vacant position is not assigned thereto, he/she shall upon request be entitled to be advised in writing of the reason he/she did not receive the assignment. If not satisfied with the reasons stated for not receiving the assignment, he/she may invoke the grievance procedure.

D. Job openings that come open during the summer will be posted at the Robins School from August 1 through August 5 each year for Food Service, Bus Drivers and Clerical.
Article 13 No Strike – No Lockout

It is agreed that there will be no strike, lockouts, picketing, sit-downs, stay-ins, slow-downs, walkouts, curtailment of work or stoppage of operations of any kind by the employee during the entirety of this Agreement.

Article 14 Savings Clause

Should any Article, Section or portion thereof of this Agreement be held unlawful or invalid by any court or board of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof directly specified in the decision. Upon issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated Article, Section or portion thereof.

Article 15 Term, Amendments and Modifications of Agreement

A. If either party to this Agreement wishes to change or modify this Agreement, the party must present the other party with a written description of items they desire changed or modified on or before the last day of April of each calendar year.

Minimums: The terms hereof are intended to cover only minimums in wages, hours, working conditions and other employee benefits.

Employer may place superior wages, hours, working conditions and other employee benefits in effect and may reduce the same to the minimums herein prescribed, without the consent of Union. Provided, however, that for a period of ninety (90) days after the execution of this Agreement, Employer agrees to refrain from reducing the hourly wages of above scale employees. This clause shall not be construed to limit, impair or act as a waiver or estoppel of Union’s rights to bargain collectively on changes contemplated or effected by Employer which may modify the traditional operation of the basic terms and conditions herein set forth.

Effective Dates: This Agreement shall be effective as of the first day of July, 2019 and shall remain in full force and effect until the 30th day of June, 2022, with the following provisions:

a) During the term of this Contract, all dollar increases over the previous year will be subject to voter approval required special levies. Should special levies fail to gain voter approval, the Contract will be considered “open”.

b) This Agreement shall be automatically renewed from year to year thereafter unless either party shall notify the other, in writing, on or before the last day of April, prior to the anniversary date that it desires to modify the Agreement.

Changes to Agreement: Neither party to this Agreement shall make unilateral changes in the terms of this Agreement pending the settlement of the outstanding differences through mutually agreeable procedures.
IN WITNESS WHEREOF, the parties hereto, acting by and through their respective and duly authorized officers and representatives, have hereto set forth their hands and seals this 10th day of December, 2019.
