## FROM THE PRINCIPAL

It's hard to believe but it is almost the middle of May. We have been busy at Highland Park wrapping up a tremendous school year. The students have learned a lot and have grown so much. This week and next we will complete our last assessments of the year. Yeah!

Make sure and check the school website from time to time for important updates and schedule information. The website calendar is a good resource as well. Watch for notes home too! We have many activities including field trips coming up. Our school will be staying busy right up to the last day.
